Seafood Processor

Salary range

\$20K to \$156K

JOB DESCRIPTION: From running an entire processing plant to fixing giant refrigerators, these are primarily land-based jobs within the commercial-fishing industry. Bonus: lots of entry-level opportunities. A great way to kick start a long-term career in one of Alaska's strongest industries. The world's appetite for healthy, wild seafood isn't going anywhere soon. But you are – you're going up the ladder.

ABOUT MARITIME WORKS

From fishing to engineering to piloting Alaska's ferries, the maritime sector provides more jobs in Alaska than any other private employer. We're working to connect Alaskans with the training to get those jobs. Maritime Works is a network of committed representatives of the occupations in Alaska's maritime economy, dedicated to building a strong workforce.
